The Miracle Continues

2012 is our first complete calendar year of full operations of Frederick Place. The Northwoods Alliance for Temporary Housing, Inc. (NATH) and Fredrick Place, our emergency shelter for those experiencing homelessness, continue to be blessed with an abundance of financial contributions, committed staff, and dedicated volunteers. Together, they provide support to Frederick

Place and NATH through their generous sharing of time, talent, and treasure by staffing numerous events, participating on various NATH committees, and supporting house staff.

Since we opened our doors on January 31, 2011, over 220 men, women, and children have found refuge at Frederick Place. They began their personal journey from homelessness and despair to self-sufficiency, hope, and dignity.

Through the synergy of more than 892 benefactors and over 3,051 volunteer hours, contributions of over 14,681 pounds of groceries, and the donation of 90% of the evening meals during 2012, Frederick Place thrives.

NATH continues the history of once again ending the calendar year with a positive cash flow. Thanks to area communities, faith-based organizations, businesses, civic groups, and individual partnerships, NATH has never experienced a loss of revenue at year's end.

Most importantly, we have served those in need of shelter with respect and dignity. While some might consider this work to be heavy or a burden, our Board of Directors views this work as a mission and opportunity to serve others and give from the heart. We are pleased to share our joy and our story of serving those experiencing homelessness in the Northwoods. Being in "God's Country" reminds all of us "they are not heavy; they are our brothers and sisters."

Our joy, the miracle, will continue with your prayers and participation.

Gratefully, Bill Miller, NATH President
